WT Docket No. 10-208

Dear Ms. Dortch:

On February 15, 2017, undersigned counsel, on behalf of Smith Bagley, Inc., met with Nicholas Degani in Chairman Pai's office; Amy Bender in Commissioner O'Rielly's office; and James Schlichting, Ryan Palmer, Charles Eberle, Alexander Minard and Paroma Sanyal. On February 16, 2017, counsel met with Claude Aiken in Commissioner Clyburn's office.

At each meeting, we discussed SBI's recent correspondence concerning Tribal Mobility Fund Phase II, a copy of which can be accessed at <https://www.fcc.gov/ecfs/filing/1021446510190>. SBI urged the Commission to afford special treatment for Tribal Lands in the Lower 48, similar to that provided in the Commission's recent "Alaska Plan" order that assigned over \$1.5 billion in universal service funding to accelerate and preserve broadband deployment in Alaska over the next ten years.<sup>1</sup>
